Mr. David Robertson
211 N. Fredonia, 2d floor
Longview, TX 75606

Dear Mr. Robertson,

If I did not thank you for your letter of 5/2, its enclosure, and answer your quesrion, please forgive me.

It came between two long hospitalizations and may have gotten overlooked.

I do not have any information about David Harold Byrd, who owned the TSBD as of the time of the assassination.

If you are still interested in him, perhaps Gary Mack at The Sixth Floor can be of help.

Sincerely,

Harold Weisberg
